

Eudora Parks and Recreation

Adopt-A-Park

Eudora Parks and Recreation Department's "Adopt-A-Park" program assists with keeping Eudora parks clean and free of trash and debris.

Organizations, groups, and families are invited to participate in the program. Each group is asked to pick up trash and debris a minimum of four times during the spring and summer.

Groups may select a park to adopt or department staff can assign one. Groups are then asked to select four dates during the summer to clean their park.

EPRD will provide trash bags for groups that are cleaning the park. EPRD requests groups to have at least one adult over the age of 18 assisting with clean up. Park clean up should be conducted during daylight hours for safety purposes.

EPRD suggests those participating to use the buddy system when conducting clean up. Please do not trespass on private property near park land and groups are not to interfere with others using the park.

Groups participating acknowledge potential hazards and assume risk of injury from natural or hazardous materials, including plants. Once groups are finished picking up their park, EPRD request all trash be placed together in a pre-determined designated area.

Those interested in adopting a park, please contact:
