

January 1, 2017

WE ARE NEW, but worth your attention. We are EUDORA PARKS AND RECREATION FOUNDATION. Our vision is to enhance, help preserve, create, promote, and advance the acquisition and use of public recreation programs, lands and facilities of the City of Eudora Parks and Recreation. Our work is based on the community-developed 2012 Parks & Recreation Master Plan which set out goals to ensure accessible, varied, and fun recreational opportunities and parks for all Eudora residents.

The goals of the Master Plan are:

- Enhance neighborhood parks
- Provide nature play opportunities
- Develop a community-wide bicycle and pedestrian trail system
- Support the community's programming needs with existing and future sports complexes
- Ensure the community center's ability to accommodate increasing levels of use

We are developing an endowment fund to help achieve some of these goals in order to make Eudora Parks and Recreation services a better experience for our citizens.

To achieve our goals we need your help in the form of financial donations to the foundation. We have incorporated and have made an agreement with the Douglas County Community Foundation that will allow us to maximize your gifts while also allowing them to qualify for income tax exemption (just make your check payable to Douglas County Community Foundation and list Eudora Parks & Recreation Foundation in the memo).

For your convenience, we are offering multiple ways to donate.

By Mail

Eudora Parks and
Recreation Foundation
Post Office Box 182
Eudora, Kansas 66025

In Person

Bring your check to
Eudora City Hall or to
Eudora Community
Center

Every great idea has a beginning, and this is ours. This is our first request for donations. We would gratefully appreciate your generous contribution.

Thank you,
